In Difficult Mothers, Adult Daughters- A Guide For Separation, Liberation & Inspiration, Karen C.L. Anderson says, "The best news on the planet is that your mother doesn't have to change in order for you to be happy.". Your mother doesn't have to do, say or be anything! You get to choose how you'll respond to her, what boundaries you set, and who you want to be.

Kudos to her on more evidence of that with The Peaceful Daughter's Guide to Separating from a Difficult Mother. In it, she brings to life how to maneuver through what for many of us is a very difficult yet primary relationship and come out on top—not to the detriment of anyone and much to the benefit of yourself. It's a valuable read for anyone who has or had "mother problems." And ...

According to McBride, many difficult mothers are also on the narcissistic spectrum, and they typically project their feelings, finding it difficult to connect with their emotional inner life. They generally refuse therapy, are uncooperative, blame the daughter and might even walk out. You may instead need to create a civil connection (see below ...
