[Fresh Fruit Broken Bodies Migrant Farmworkers In The United States Seth Holmes](#)

Fresh Fruit, Broken Bodies is an ethnographic study of indigenous Triqui migrants from Oaxaca, Mexico, who move to the United States to work in the fields of central California and the Skagit Valley in Washington State. This detailed and bravely insightful ethnography will frustrate readers looking for a clear research question and straightforward answers, but is remarkably rewarding for the ...

Seth Holmes' ethnography Fresh Fruit, Broken Bodies is a timely and innovative text blending theory and praxis. As a physician anthropologist, the author tries to better understand the socio-cultural and political economic factors shaping the conditions in which Indigenous Oaxacan migrants live, labour, suffer, and treat their physical ailments.

Fresh Fruit, Broken Bodies by Seth Holmes is one of the few books that I have read that I consider so forceful, so meaningful, and so necessary to the readership of our time, that I can find few words to adequately describe both my experience reading this text and the content in its pages. I suppose I will begin with my myself and my experience of the text, and then move in to what the text ...
