Guinea's first democratic election, in 2010. This article shows talk about truth-telling to be a form of social and political action in itself. Several other works have directed a critical lens at the study of international justice and truth and reconciliation processes (Clarke 2009; Ross 2002; Shaw, Waldorf, and Hazan 2010; Wilson 2001). In what follows, we explore the discursive work ...
