Robert Pinsky is one of America's foremost poet-critics. Often called the last of the “civic” or public poets, Pinsky's criticism and verse reflect his concern for a contemporary poetic diction that nonetheless speaks of a wider experience. Elected Poet Laureate of the United States in 1997, his tenure was marked by ambitious efforts to prove the power of poetry—not just as an ...

A bold new anthology of poems that contend with the most extreme human emotions, from former Poet Laureate Robert Pinsky.
