Perspective Press is the developer of The Pharmacy Technician, the best-selling text for pharmacy technician training that is endorsed by the American Pharmacists Association.The Pharmacy Technician employs a visual two-page spread approach that integrates text and graphics and presents topics in content-specific learning landscapes.. Dennis Hogan founded Perspective Press in 1993 with the ...

[The Pharmacy Technician, 6e \(American Pharmacists ...](#)

The book addresses retail pharmacy, hospital pharmacy, extended care pharmacy and other avenues that a certified technician can follow. Even though I've worked in retail pharmacy for over two years, there was A LOT of information in this book I'd never been exposed to. The hospital and extended care information alone made it well worth the investment. I passed my exam on the first try and I'm ...
